

Residue Remover

Ready to Use Solvent-Base Impregnator/Haze Remover For

- Granite
- Ceramic Tile
- Concrete
- Marble
- Porcelain Tile
- Natural Stone
- Grout

Special Features

- Easy-to-Use
- Removes Residue Left Behind with Impregnators and Penetrating Sealers
- Safe for All Stone & Tile Surfaces
- Non Acid

PRODUCT DESCRIPTION

KEEP OUT OF REACH OF CHILDREN. Miracle Impregnator Residue Remover Is a unique, solvent-base formula designed to remove the silicone/fluoropolymer residue common with impregnators and penetrating sealers. **Residue Remover** is safe for use on granite, marble, limestone, natural stone, ceramic tile, porcelain tile, grout and concrete surfaces.

Sample Testing

Due to the differences of each substrate, several inconspicuous test patches should be completed to assure maximum performance. **User must determine the suitability of the product for their intended use.**

Protect Neighboring Surfaces

Always protect neighboring surfaces including wood, carpet, metal, landscaping and other non-masonry surfaces.

APPLICATION INSTRUCTIONS

Read entire label and SDS/PDS completely before using this product. This product is to be used directly from container and is not under any circumstances to be thinned or diluted with anything before use.

Apply **Residue Remover** directly from the bottle to a terry cloth towel. Make sure and wet the towel liberally. Apply the **Residue Remover** directly making sure to wet the surface to the eye. Allow the **Residue Remover** to sit on the surface for 2 - 5 minutes and remove with a clean, dry terry cloth towel. Buff dry until all of the residue is removed. Do not allow the **Residue Remover** to air dry on the surface. If the surface dries or becomes tacky, more **Residue Remover** must be applied and then removed before it can air dry.

Heavy Duty Cleaning: Use **Phosphoric Acid Cleaner**, **HDAC** and **Liquid Poultice** as directed.

Light Cleaning: Use **Tile & Stone Cleaner**, **Porcelain & Ceramic Tile Cleaner**, **Limestone/Travertine Soap** or **Counter Kleen** as directed.

MAINTENANCE

For ongoing maintenance instructions please refer to **Miracle Sealants Care Guide**. Refer to the **Miracle Sealants Product Recommendation Chart** for specific product recommendations.

Cure Time

Do not allow the **Residue Remover** to dry on the surface. Typically waiting 2 - 5 minutes is all that is necessary. If it becomes dry or tacky, wet the surface again and immediately, buff dry.

Water, Stain & Slip Protection

To protect cleaned area from future soiling and staining and increase static coefficient of friction, we recommend applying the appropriate **Miracle Penetrating Sealer/Impregnator**.

Color and Gloss Enhancement

For added color with "Textured and Non polished" surfaces, **511 Seal & Enhance**, **Mira Matte** may be used. For porous type "Pavers", **511 Seal & Enhance** may be used as directed.

Polish Enhancement

Periodically use **Mira Dust**, **Marble Conditioner** or **Granite Brite** as directed.

Coverage

Coverage will vary depending on density, porosity, texture, surface absorption, weather, time solution is left on the surface and application methods. Used as directed, **Residue Remover** will cover approximately 2,000 square feet per gallon (199 square meters per 3.785 liters).

Storage

Store **Residue Remover** in the original container upright and properly sealed to avoid contamination and evaporation. When store in the upright position at 77° F (25° C), **Residue Remover** will have a shelf life of 12 months. Do not allow to freeze.

Caution

Residue Remover contains combustible petroleum distillates. All solvents must be considered toxic and must be used in a well-ventilated area. Good ventilation means that fresh air is flowing in such a way as to feel a slight breeze. Open windows and use fans to circulate air. Continue to ventilate until vapors are eliminated. Exposure to high vapor concentration must be avoided. Inhaling the vapors can be harmful. Keep away from heat and open flames. Avoid prolonged contact with skin. Chemical resistant gloves should be worn at all times. Keep small children and pets out of the area until product or surface has thoroughly dried. **Refer to the SDS for additional information.**

Warranty

Instructions are a condensed guide and should not be considered complete. In the event of failure, the only obligation of Miracle Sealants Company shall be to replace such products proven defective. **Before using, user shall determine the suitability of the product for their intended use. User assumes all risks and liability whatsoever in connection therein.** Neither seller nor manufacturer shall be liable for any injury or inability to use this product.

Additional Products

Miracle Sealants Company offers a complete line of water & stain repellents, sealers, cleaners, polishing compounds, diamond abrasives, machinery and accessories for the tile, stone, concrete, metal, fabric and carpet professional or do-it-yourself specialist.
