

## Husqvarna PG 280

*PG 280 is a single disc floor grinder that you can quickly convert for edge grinding on both sides. It efficiently grinds adhesives, paint, epoxy and spackle. With a grinding width of 11 in. it is suitable for small to medium concrete areas. It is available in a 1-phase version. Designed to facilitate an ergonomic work position, it is easy and convenient to use. The machine is light and compact and therefore easy to transport and set-up.*

### **QUICK CONVERSION TO EDGE GRINDING**

Easily removable lid covers and wheel setting enable quick conversion to edge grinding on both sides. No tools are required. Allows an upright work position.

### **EASY REMOVAL**

Offers efficient grinding of adhesive, paint, epoxy and spackle.

### **EASY TO TRANSPORT AND SET-UP**

The machine is light and fits easily in any car thanks to the compact design and foldable frame and dividable parts.

### **EASY TO USE**

The speed is fixed and no settings are required. The machine also has a user-friendly logical control panel with overload protection.

## Features Husqvarna PG 280
